

The image features a large, orange and grey construction vehicle, likely a paver or similar heavy machinery, as the background. The vehicle has "POHL" written on its front and is equipped with safety lights and reflective stripes. The top of the image is dominated by the "POHL CIVIL" logo in a bold, sans-serif font, with "POHL" in black and "CIVIL" in orange. The overall scene is set outdoors with trees visible in the background.

POHL CIVIL

CAPABILITY STATEMENT

2025

BUILDING WITH INTEGRITY. DELIVERING WITH PRECISION

ABOUT US

“Delivering civil excellence with over 70 years of collective expertise.”

Pohl Civil provides specialist civil works delivery across renewable energy and infrastructure projects

With solid experience under our belt and coming from a tier 1 background, we are capable of delivering turnkey projects tailored to the clients specific needs. **No job is too small, no job is too big.**

Operations across NSW, Victoria, Western Australia, and now expanding into Queensland, Pohl Civil has the capability and scale to deliver projects nationwide. Our team collectively brings **over 70 years of expertise in renewable energy, infrastructure projects such as concrete, earthworks, underground services, and more.**

Our unwavering priorities are clear: **SAFETY, Environmental and Quality.** These form the foundation of everything we do, ensuring that each project is executed with the utmost care and precision.

“Our success is built on people. At Pohl Civil, we value dedication, honesty, and collaboration above all else. By fostering a culture of safety and respect, we ensure that every client, partner, and employee experiences integrity in action.”

– Managing Director

POHL CIVIL

OUR COMMITMENT

“We collaborate with clients to deliver efficient, cost-effective solutions, with a strong focus on safety, innovation, and renewable energy civil works.”

SAFETY

Safety is at the core of everything we do. **We arrive safe, work safe, and go home safe.**

QUALITY

Our work meets or exceeds industry benchmarks through rigorous quality processes, ensuring long-lasting and reliable results.

ENVIRONMENTAL

We deliver sustainable outcomes by minimising our footprint and integrating environmentally responsible solutions into every project.

EXCELLENCE AND CLIENT SATISFACTION

At Pohl Civil, we consistently surpass client expectations. From start to finish, we prioritise safety, clear communication, proactive solutions, and client satisfaction to ensure projects are completed to the highest standards, on time, and within budget.

ACCOUNTABILITY

We hold ourselves accountable for our actions, decisions, and outcomes. By fostering a culture of accountability, we strive for a hassle-free experience in the delivery of all our projects.

INTEGRITY

Integrity forms the foundation of our business practices, guiding our interactions with clients, partners, and stakeholders. Our commitment to integrity means that we *foster* strong relationships by always acting in the best interest of all parties.

INNOVATION

We embrace change and creativity, driving smarter, forward-thinking solutions while maintaining safety and quality. Our approach ensures continuous improvement and adaptability in a changing industry.

OUR KEY PRIORITIES AT A GLANCE

- **Excellence & Client Satisfaction** – Delivering with precision.
- **Accountability** – Clear and reliable delivery.
- **Integrity** – Built on trust and honesty.
- **Innovation** – Smarter solutions that adapt.

WHAT WE DO

RENEWABLE ENERGY - CIVIL WORKS

Specialist capabilities in civil works for renewable energy projects, including hydrogen plant, solar farms, substations, and supporting infrastructure.

INFRASTRUCTURE - CIVIL WORKS

Expertise across major infrastructure including Sydney metro stations, hospitals, schools, utilities, and large-scale government projects.

CONTRACTING & PROJECT DELIVERY

Turnkey project management from design coordination to completion — delivering on time, on budget, and to the highest standard.

SITE PREPARATION & EARLY WORKS

Comprehensive bulk earthworks, clearing, and preparation services ensuring projects start on solid ground.
